Company Profile

V. P. INDUSTRIES is pleased to present, its products under flagship brand **KODIA** 33 years ago, in the field of Locks & Hardware.

We have a team of diligent workers, who are experienced & skilled crafts men. They have worked together for Building and maintaining the quality durability & elegance of our products.

The extensive range of products is elegant and matchless in style. It includes door locks, multipurpose lock, mortice handle, pad locks, pull handle etc. For a multi-user environment, the products are offered in various finishes to match and blend with Interiors and customer's preferences. The products are electrophoretic lacquered to retain everlasting shine.

KODIA believes In 'excellence' that results from total commitment to service and quality. It makes our products more reliable and desirable-a customer's delight.

"QUALITY PRODUCTS AT REASONABLE PRICES IS THE MOTTO OF OUR COMPANY."

We are committed towards total customer satisfaction and continual improvement in our performance to meet greater customer expectation at all times.

**SPRING
DOOR HINGE**

Allows two-way
access for swinging doors

- Suitable for doors that need to swing in both directions, such as cafe doors or saloon doors.
- Ideal for high-traffic areas or commercial settings, Smooth operation and minimal friction, Can be used for interior or exterior applications.

REMOVE THE PIN
Use the bar to
remove the pin first.

PREPARING THE FRAME
Mark the holes and then
screw the hinges to the
Frame.

PREPARE THE DOOR
Mark the holes and
then screw the hinge
to the Door.

ADJUST THE RESILIENCE
Stick the adjusting bar to
the adjusting hole to adjust
the hole position and then
insert the pin to fix position.
